The undersigned shall indemnify and save harmless the LVQMRC and Pocono International Raceway from all liability arising from injury or damage to personal property of any nature. All drivers and handlers must be current active members of a recognized quarter midget club. The driver/car must pass brake test and safety inspection before competing and all engines must meet club/class rules for the class registered. For example: LVQMRC compatible (AMB) transponder required.

The 2-day program will consist of two heat races on Saturday. Drivers will pick for starting positions in both races. Sunday's events will consist of two feature events. Starting positions for the first feature will be based on the average finishing positions of Saturday's heat races, with this order then inverted. The second feature lineup will be based on the finish of the first feature, straight up.

The entry fee of \$25 for this 2-day event covers the Car + Driver + Owner. Any additional people entering the pits will be charged \$5 each. The fee for a driver to race an additional class will be \$15 per class. All registered drivers will receive a commemorative participation plate and a hat.
