• From the Board Meeting

◆ Our Spring 2011 Quarter Midget Driving Experience is scheduled for April 16. Additional details are to follow, but we will need cars for the try-a-quarter midget drivers to drive, and organizational help. If you have a car or parts for sale, this is an opportunity to let people see what you have.

◆ Outside Event – The Board has booked an outside event at Big Diamond Raceway on July 22. The ARDC midgets will also be there that evening along with the regular stock car show. This will be a non-running show for the quarter midgets. We will put several cars on display, the drivers and members will get a special admission package, and the Club will get a lot of PR.

◆ QMA Honda Motors – QMA has decided to phase out the Honda motor over the next 3 years. The 2011 QMA Honda 120 and 160 tech manual is now firm and will be included in our 2011 Rule Book.

◆ Details of the Spring Try-a-quarter midget event are now up on the web site.

◆ Guest Racer Program. Once again this year we will be offering a 6 race package to registered drivers/inspected cars from other tracks. There will be a \$20 family application to join the program and a \$10 per item (car, driver, adult) entrance charge at the back gate. All races except Opening Day and Kenny Hein are available for inclusion in the 6 race package.
