

LEHIGH VALLEY QUARTER MIDGET RACING CLUB

President: Carl Mease

Secretary: Janice Mease

Web address: www.lvqmrc.org

February 2010 Newsletter

Next Meeting – February 4, 2010 at Chestnuthill Township Park Bldg @ 7:30 pm

• From the General Meeting

The membership decided on a hockey game as the Winter Party. Unfortunately we could not reach the 20 person minimum required for the group program. The committee list was passed around. The committees are Special Events, Technical, Banquet, Website, and Advertising/Fundraising. Each member is required to sign up for a committee or may be assigned. Members can sign up for more than one committee. No one has come forward to put together a booth for the Motorsports show. We are looking for help with the Ledgewood Mall show on February 27 and 28; as well as the Phillipsburg Mall show March 7 to 13.

Summary of the car and engine change ballots. Members voted FOR high back seats, attaching bumpers and nerf bars with bolts and nuts, helmet pad required if driver does not have HANS device, self supplied fuel, and B&S 3HP cam permitted in B&S 3.5HP B Class engine. The membership voted for no change in the Novice restrictor plates and voted against requiring 2 bolts to secure any added weight.

Summary of the other rule change ballots. Members voted FOR all proposals. (graduation rules, award guidelines, car losing part blacked flagged, no objects hanging from the cage, all drivers get free first spin, increased miss fines and increased fine limit)

• From the Executive Board

- ◆ Now that we have voted on the 2010 rules we are looking for cover sponsors before printing the book.
- ◆ Our Serve-Safe certification has expired. If you would like to become certified please let Janice know.
- ◆ A minimum of 50% meeting attendance is required as per Section II.A.5 and II.E.4.
- ◆ There are several mall shows coming up. If the Club is going to participate we need volunteers.
- ◆ For the 2010 racing season we are looking at the following pre-season jobs: fix broken boards in the stands, expand the drain at the tech shack, check/replace the traffic lights, and upgrade the track traffic light switches.

----- ADVERTISEMENTS -----

For sale, medium G-Force complete roller with tach & adjustable shocks, less motor, \$2500 Call Ron 570-982-3215

For sale, large G-Force roller, \$1500, with a Honda 160, \$2000. Call Ken 570-656-7671.

For sale, race ready, excellent condition, quarter midget with Honda 120 engine. This small car can be made to fit a medium size child. Small open trailer also for sale. Car and trailer package deal \$2600, car only \$2200. Call Craig at 610-759-1541.

Car #66 This is a very nice car that has worked very well. Finished 3rd in points in the Outlaw Dirt Series. It is a Butler chassis that has been upgraded. It comes with a Power Plus Race Engines 3 1/2 Briggs which was freshened just before the Snydersville race. It has Trimble shocks and new rims and tires(put on halfway thru the season). The only thing you don't get is the michron tach. I will sell the car with the motor for \$2,000. If you want just the car let me know and we can work something out, but I would prefer to sell them together. Kevin Koch wkoch@ptd.net
