CPA Ned Marini addressed the membership about the financial future of the Club. The membership voted to move forward with the formation of a new corporation. The membership discussed several Winter Party options and more details will be presented at the January meeting for the members to vote on. The committee list will be passed around at the January meeting. Favorable comments were received concerning the banquet at its new location. If anyone would like to order additional banquet books please see Gil. A second revision to the 2010 racing schedule was passed out for the membership to review and comment on at the January meeting. 2010 membership applications, available on our web site or at our meetings, are now being accepted. All proposed rules at the December meeting have been reviewed by the Executive Board and are attached to this newsletter. These proposed changes will be voted on at the January membership meeting.

◆ Next year will be our 20<sup>th</sup> year at Pocono. If anyone has a “LVQMRC 20<sup>th</sup> Year at Pocono” logo suggestion please submit it to the Club. The finished artwork will replace the logo at the top left of this newsletter and be used on our literature in 2010. The Club’s 25<sup>th</sup> Anniversary logo was drawn by one of the drivers. Good luck.

◆ All rule changes discussed at the December meeting and will be voted on at the January meeting.

◆ **Please make plans to come to the January meeting since we will be making decisions on engine specs, car specs, and other important rules, and our 2010 racing schedule.**

◆ A minimum of 50% meeting attendance is required as per Section II.A.5 and II.E.4.

◆ There are several mall shows coming up. If the Club is going to participate we need volunteers.

◆ If you have not sent in your application, now is the time to do it. This newsletter (January) will be your last if you are not signed up as an active member or on the complimentary mail list. If you are not signed up by the January Board meeting, your car number will be released.
