### July 2010 Newsletter

Next Meeting – July 1, 2010 at Famularo’s Catering @ 7:30 pm

#### • From the General Meeting

**REMEMBER OUR CHANGE OF MEETING LOCATION** – Famularo’s is where we held last year’s banquet. Following the resignation of Joe Carroll, Beth Dice has been appointed as interim Assistant Secretary. Nominations for the office were opened at last month’s meeting and will be re-opened at the July meeting. The Club voted to name our July 31 race as the Craig Ford Memorial Race, with funds generated from that race donated to the American Cancer Society. Please let Beth or Gil or Janice know if you will be on vacation so that you can be scheduled on other days. Once the schedule is published, it is your job to be there when scheduled or find a substitute. We have a work switch form that both parties need to fill out so we know who is responsible on any given night.

#### • From the Board Meeting

- ◆ We will not be racing on July 3 as per the schedule. Everyone enjoy a safe holiday weekend.
- ◆ JPA Masonry will sponsor a trophy race on July 10, regular starting time.
- ◆ Now is the time to sign up for Pocono shifts for the July 30 – August 1 NASCAR race weekend. If someone is covering your shift, they must be at least 18 years of age and we need their phone number.
- ◆ Proceeds from our July 31<sup>st</sup> Craig Ford Memorial race will go to the American Cancer Society.
- ◆ The Club picnic will be held on Sunday August 8, at Knoebels Amusement Park. Please see Janice for all the details and to sign up.
- ◆ August 21 is our Fun Night Race. Drivers should bring their painted ceramic cars for judging.
- ◆ Three companies sponsored 6 families for free at our Spring TAQM event: Rick’s Atech Automotive, Ken’s Auto Service Center, and Gasoline Alley – WALN Cable FM 92. The winners were: Reyes Martinez, Tomora Ellis, Rich Uhlendorf, Ellen Dennis, James Ohalloran, and Stephanie Stallard.
- ◆ **OPERATIONAL REMINDERS**
- ◆ Track maintenance includes cutting the grass. You will need to prep the track before racing starts, during intermission, and at the end of the night’s program. If in doubt, ask Paul Dice
- ◆ If your car is starting on the pole in the next race, you are the pit steward for that race. This means that you are responsible for checking that all the drivers in your race are properly buckled into their cars and have all their safety equipment on and adjusted properly.
- ◆ The next race should start lining up in the staging area as soon as all the cars in the current race are on the track.
- ◆ If you are a corner person you need to help line up the cars for a restart while under the yellow flag.
