

LEHIGH VALLEY QUARTER MIDGET RACING CLUB

President: Carl Mease

Secretary: Janice Mease

Web address: www.lvqmrc.org

March 2010 Newsletter

Next Meeting – March 5, 2010 at Chestnuthill Township Park Bldg @ 7:30 pm

• From the General Meeting

Due to computer issues, this newsletter is coming after the March meeting. Succeeding newsletters should be back on the regular schedule. The committee list was available again. The committees are Special Events, Technical, Banquet, Website, and Advertising/Fundraising. Each member is required to sign up for a committee. If you have not, you will be assigned. The 2010 rule book is now ready for print. There is still advertising space on the back cover. If you want to advertise on the back cover you need to contact Janice by March 12. We plan to distribute the new rule books at the April meeting.

Janice is looking for help running the refreshment stand. If you can give 110% she would really appreciate it. Also, we have 3 car covers left over from the banquet. If you are a new member this is a great item. We are selling them at our cost of \$53 to our members.

The 2010 racing schedule was approved by the members at the March meeting. The full schedule will be up on the web site shortly. Before approving the schedule, the members made a major change to how OPEN EVENTS will be handled this year. Anyone who is a current member of another quarter midget club can race at any race (except Opening Day and Kenny Hein weekend) at our facility as many as 6 events. The Opening Day race is restricted to Club members, and separate registration is required for the Kenny Hein weekend, which is not affected by open event participation. Guest racers will pay an increased back gate fee.

• From the Executive Board

- ◆ We will be printing tri-fold schedules again this year for our schedule.
- ◆ Our Serve-Safe certification has expired. If you would like to become certified please let Janice know.
- ◆ The driver training and inspection schedules are included with this newsletter.
- ◆ For the 2010 season we are looking at the following pre-season jobs: fix broken boards in the stands, expand the drain at the tech shack, check/replace the traffic lights, and upgrade the traffic light switches.

----- ADVERTISEMENTS -----

For sale, medium G-Force complete roller with tach & adjustable shocks, less motor, \$2500 Call Ron 570-982-3215

For sale, large G-Force roller, \$1500, with a Honda 160, \$2000. Call Ken 570-656-7671.

For sale, race ready, excellent condition, quarter midget with Honda 120 engine. This small car can be made to fit a medium size child. Small open trailer also for sale. Car and trailer package deal \$2600, car only \$2200. Call Craig at 610-759-1541.

Car #66 This is a very nice car that has worked very well. Finished 3rd in points in the Outlaw Dirt Series. It is a Butler chassis that has been upgraded. It comes with a Power Plus Race Engines 3 1/2 Briggs which was freshened just before the Snydersville race. It has Trimble shocks and new rims and tires(put on halfway thru the season). The only thing you don't get is the michron tach. I will sell the car with the motor for \$2,000. If you want just the car let me know and we can work something out, but I would prefer to sell them together. Kevin Koch wkoch@ptd.net
