March 2011 Newsletter

Next Meeting – March 3, 2011 at Famularo's Catering @ 7:30 pm

• From the General Meeting

All procedure rule changes need to be presented and voted on before the 2011 Rule Book goes to print in March. The committee list was circulated for members to sign up. The committees consist of Advertising, Technical, Banquet, Special Events (Opening Day, Try-a-quarter midget, Kenny Hein), and Website. Everyone needs to step up and sign up for one or more committees. We have booked our Winter Party for the water park at Split Rock Resort on Sunday March 6. The party will be from noon to 4pm and will include pizza and soda. The Club will pay for the drivers, and the price for adults and non-drivers will be \$29. There is a \$15 "dry" option, which includes the pizza and soda, for those not wishing to get wet. Pre-registration is required so we have an accurate head count, so let Janice know as soon as possible. We need to give Split Rock a confirmed head count by 3/4.

Following a discussion of the several Constitutional Rule changes that were proposed, two of the proposed rules passed a vote at the general membership meeting and will be submitted to all eligible voters via mail ballot. The returned ballots will be opened and counted at the March 3 meeting.

The 2011 Rule Book will go to print in March following the voting results from the Constitutional ballot. If you would like to sponsor the book, there is advertising space available on the inside front cover, and the inside and outside back cover.

• From the Board Meeting

◆ Phillipsburg mall show, March 6 to 12. On Tuesday March 8 Steve Pados will be conducting quarter midget interviews for his radio show. If you can put a car on display or attend the interview, contact Janice.

◆ If you would like to place an ad on the cover of the 2011 Rule Book please contact Janice. The available locations are inside the front cover, and inside and outside the back cover.

◆ Our Spring 2011 Quarter Midget Driving Experience is scheduled for April 16. Additional details are to follow, but we will need cars for the try-a-quarter midget drivers to drive, and organizational help. If you have a car or parts for sale, this is an opportunity to let people see what you have.

◆ Outside Event – The Board has booked an outside event at Big Diamond Raceway on July 22. The ARDC midgets will also be there that evening along with the regular stock car show. This will be a non-running show for the quarter midgets. We will put several cars on display, the drivers and members will get a special admission package, and the Club will get a lot of PR. Complete details will be available at the March meeting.

◆ QMA Honda Motors – QMA has decided to phase out the Honda motor over the next 3 years. The 2011 QMA Honda 120 and 160 tech manual is now firm and will be included in our 2011 Rule Book.

◆ Details of the Spring Try-a-quarter midget event will be up on the web site shortly.

◆ Please email classified ads for the web site to the Club email address.

◆ The Board has booked 2 trophy races so far on the schedule. If you or a business wants to sponsor a trophy night, please contact Janice to find an available date.
