October 2009 Newsletter

Next Meeting – October 1, 2009 at Chestnuthill Township Park Bldg @ 7:30 pm

• From the General Meeting

Kenny is asking that everyone please get their gas on time. The tech people need to spend time with their children also. Everyone must go thru the fuel and tech line and have their tank inspected and resealed, even if you do not need fuel that night. The Kenny Hein Memorial race, which is an open event, is coming up on September 26 and 27. Again this year, there will be time trials and 2 sets of heats on Saturday with double features and the awards presentation on Sunday. Members were reminded that no children or drivers are allowed on the flag stand or the track, except when driving, during the racing event. Because of an issue with the race control lights, a motion was made and passed to change the light controller so that the yellow and green lights would be on a single switch thus preventing them from both being on at the same time. 2010 membership applications, available on our web site or at our meetings, are now being accepted. Applications must be received by the Executive Board by 7pm on November 5 (general meeting date) in order to be accepted in time for you to vote at the November 5 election meeting.

• From the Executive Board

- ◆ **BANQUET.** The banquet will be held at Famularo's in Paradise Valley on November 21 starting at 5pm.
- ◆ No alcoholic beverages are permitted at the track.
- ◆ The Kenny Hein race is an outside event for Club members. If you need an outside event to make the package, the Board will permit you to use the Pumpkin Race on October 3 as your outside event.
- ◆ **ELECTION.** Nominations will open at the October meeting and additional nominations will be accepted at the November meeting before the voting takes place. In order to run for a board position, you must be an active 2010 member and have attended 50% of the monthly general membership meetings. Only active members and lifetime graduate drivers are allowed to vote.
- ◆ We need cars for our Fall try-a-quarter midget day on October 4.
- ◆ If anyone has suggestions for a Christmas Party please let a Board member know.
