Next Meeting – September 2, 2010 at Famularo’s Catering @ 7:30 pm

• From the General Meeting

REMEMBER OUR CHANGE OF MEETING LOCATION – Famularo’s is where we held last year’s banquet. Ron Haney has been appointed to the post of Head of Tech. The election to permanently fill the post for the remainder of the racing year will be held at the September general meeting. Thank you to everyone who came out to the Craig Ford Memorial Race event on Saturday July 31. Your support allowed the Club to generate \$1500 that will be donated to the American Cancer Society. The Kenny Hein Memorial Race is coming up on September 18 and 19. Ken Fetherman is collecting donations to help defray the cost of the t-shirts and plaques. Each pre-registered driver, by 9/7, will get an event t-shirt. Drivers will also get a trophy for each class participated in. Ten classes are planned from Beginner to World Formula. A minimum of 4 registered cars are needed for each separate class. All drivers registered by September 7 will get a free event t-shirt. All the details will be posted on the web site.

• From the Board Meeting

- ◆ To accommodate people going to the West End Fair, our “Fun Night” race has been moved to August 28.
- ◆ In order to prepare for the Kenny Hein weekend, the Board has scheduled a mandatory work detail for Saturday September 11, starting at 1pm. We will do a general clean-up of the grounds, including mowing and trimming, to get ready for the last races of the season.
- ◆ The refreshment stand will be open Saturday and Sunday morning of the Kenny Hein race weekend for breakfast.
- ◆ August 28 is our Fun Night Race. Drivers should bring their painted ceramic cars for judging.
- ◆ The banquet information has been distributed. If you have any questions please ask someone on the committee. Please help the committee by getting the banquet book information in as soon as possible.
- ◆ Kenny Hein applications are beginning to come in; don’t be late.
- ◆ Although the Club is not supplying fuel this year, per our insurance, the only fuel permitted is regular 87 octane pump gasoline. No additives are permitted in the fuel or oil.
- ◆ **OPERATIONAL REMINDERS**
- ◆ If your car is starting on the pole in the next race, you are the pit steward for that race.
- ◆ The next race should start lining up in the staging area as soon as all the cars in the current race are on the track.
- ◆ If you are a corner person you need to help line up the cars for a restart while under the yellow flag.
